Headline

Wood Dale, IL, 02/08/2017 — Rush Direct, Inc would like to announce the launch of a new line of all natural treats and chews branded Res Q Pet Naturals.

Res Q Pet Naturals will be introduced at Global Pet Expo March 22-24th, 2017 at Booth #1035.

Res Q Pet Naturals is both a brand with a purpose and a 100% all natural product line for specialty pet stores. Good for them, good for you. Great for pets. Great for community.

Featuring grain free and single ingredient nutritious treats and chews, Res Q Pet Naturals product line has a variety of treats for every taste including Freeze Dried Kitty Minnows, All Natural Turkey Jerky and Yak Cheese Chews. Consumer purchases from their local stores will generate donations to their local animal shelters.

We are looking forward to connecting with shelters and stores. For more information contact Dr. Amy Goodnow or Pam Williams, or go to our website at ResQPetNaturals.com

Rush Direct, Inc is a family business started in 2003 in Illinois. Since then Rush Direct been bringing quality pet treats at accessible prices to the market. Rush Direct believes that consumers, suppliers and retailers form an ecosystem.
