

About us

Shernbao Pet Products Manufacturing Co.,Ltd. was established in 1999 as a comprehensive manufacturing and trading company.

We have been in pet grooming products and vet equipments for over 17 years, and specialized in producing all kinds of clippers, blades, dryers, grooming and operation tables, bathtubs and cages, etc.

As a professional manufacture supplier, we can offer superior quality, competitive price and first-class craftworks. Also provide safe package, and prompt delivery service to fully satisfy your demands.

Our products are popular in overseas markets especially in European and US. Furthermore, except our own brands, we provide OEM&ODM services and accept customized order as well.

We are very confident to offer better products with diversified design and professional services. We are looking forward to receiving your enquiries soon.

Most of our products have passed the following certification
