CALM PAWS BRAND PRODUCTS

Scottsdale, AZ February 5, 2020 – Acorn Pet products is pleased to announce the acquisition of the Calm Paws Behavior Support® Brand and all its IP and assets. The Calm Paws Behavior Support® brand features Calming Solutions and Calming Recovery Collar Lines.

The Calming Solutions line comprises Calming Disks, Calming Collars and Calming Gel Patches. Calm Paws Behavior Support® calming solutions use essential oils that help support dogs and cats in stressful situations caused by today's modern lifestyles.

Calm Paws Behavior Support® patented and patent pending, line of stay calm recovery collars for pets feature Caring Collars, Calming E-Collars and Calming Protective (inflatable) collars which help protect pets from reaching injuries or surgical wounds. With application pockets for the addition of calming disks and gel patches to soothe and calm your pet. Featuring a complimentary use of color to stimulate a calming response proven by color pallets used in hospitals and veterinary clinics. Blue is perceived as soothing and calming and is the color of choice for the Calm Paws Recovery Collars.

Calm Paws™ Caring Collars are available in 4 sizes, X-Small, Small, Medium and Large for Dogs and X-Small for cats. Calm Paws Calming E-Collars are available in 5 sizes, Small, Medium, large, X-Large and XX-Large. Calm Paws™ Protective Collars are available in 5 sizes, X-Small, Small, Medium, Large and X-Large.

About Acorn Pet Products, LLC - Acorn Pet Products LLC produces innovative and quality calming and recovery solutions for dogs and cats that are state of the art in providing comprehensive protection and calming during and after the recovery process.

The Calm Paws Brand was introduced into the recovery market in 2017 and has since become one of the leading brands in the recovery solutions market.
