The ShadyPaws Corporation is a certified APPA Dog Health Product Manufacturer.

ShadyPaws Dog Shade Gear offers instant heat relief & sun protection with a portable solution for "Cage Free" shade.

ShadyPaws dog shades offer ample ventilation with adjustable shade lengths for multiple dogs when placed in unknown terrains, extreme heat exposure or hot asphalts.

ShadyPaws require minimal storage space when placed inside their carry backpacks. Excellent addition to cages & crates to avoid animals from overheating, anxiety & aggravation when kept confined for long periods of time.

ShadyPaws is the simple solution to avoid heat stroke, skin & feet burns by providing instant shade relief. "Please come by & visit our display for your complimentary gift!"
